

Neeta Reshamiya

Writer, Motivational Speaker,
Soft-Skill Trainer & Life Coach

*“Creativity is a
characteristic
to success”*

- Neeta Reshamiya

OCEAN

While making “Creativity” a buzz word; her motivational talks, soft-skill training programs, leadership and management workshops are to set the radical free with cutting edge creative ideas.

Creative thinking often supersedes strategic planning while over-riding the storm of reform and coming out of the wood of challenges. Under the situation, commendable management can be attained by those who can think beyond the set rules and governance. Inspire and get inspired to optimize the performance with creative designs of your thoughts, behavior and action to win over the complex situations; is the key message of her training.

She has trained and motivated thousands of people from different walks of life. Her expertise to design specially tailored programs to address the needs and concerns of a given company / organization / institute / group can encourage the participants to stand tall and withstand any competition. May the participants be from college or corporate house; her workshops make them understand the huge competitive advantage of creative approach to apprehend the future.

Her workshops offer different modules to diverse group of people.

“Life is beautiful; worth living, laughing and enjoying”

- Neeta Reshamiya

*Success is not a formula but a
derivate of our potential*

-Neeta Reshamiya

“Power the Passion”

- Reckoning the challenges
- Situational analysis
- Tuning the potential
- Auto-piloting the performance
- Band-wagon the resources
- Translating decisions into an action
- Enhancing the productivity with multi tasking skills
- Excelling the transformation

“Mythology & Mocktail”

It is a series of talk based on mythology that equip people to accelerate their personal and professional growth.

“Over past 20 years, my professional experiences are enriched with variety of the subjects. Amongst all, Hindu Mythology has always captivated my mind. I feel our Vedas and Puranas are the manuals of life. I firmly believe that Mythological stories though ancient, stand remedial to challenges of modern times as they cater power-packed lessons of Life, Leadership and Management”Neeta
